

“Come acqua luccica”

Liceo Musicale e Coreutico Bonporti - Trento

by Aurora Anitrano, Virginia Brugnara, Irene Marasca & Laura Wojcick

I'm exhausted to be controlled
I feel like I am a doll
Skin and tall
With no emotion and no soul
Let me escape from this world
I can't stomach, no,
Any of your words
Please stop knocking at my door
All the people come and go
On my telephone
Waiting for what?
For everyone to like my post

I feel the anger vibrating in my chest
I can't move away
Find a way
I lost my train
Explored if no one sees
That I'm not here anymore

E come acqua luccica
Mi tieni dentro al mare
Mi costringi a non guardare
Mi costringi ad affogare
E come acqua luccica
Mi tieni dentro al mare
Mi chiedi di non respirare,
di non guardare
Mi costringi ad affogare

I'm exhausted to lose control
By your silence
By your cold
I feel like I'm in a storm
Let me escape from this world
They thought "peace and love", but
they started a war
I can't help, I can't ignore
All the people come and go
While I wait alone
No one spoke
They just scroll and like the post

I feel the anger vibrating in my chest
I can't move away
It's too late
Help today
Stop denying it
I can't stand this

E come acqua luccica
Mi tieni dentro al mare
Mi costringi a non guardare
Mi costringi ad affogare
E come acqua luccica
Mi tieni dentro al mare
Mi chiedi di non respirare,
di non guardare
Mi costringi ad affogare
E come acqua luccica
E come acqua luccica
