

**One less touch, one more dream**

**The more you scroll,  
the more you fall**

**Life flows... don't fall behind**

**Happiness has more pages than a screen**

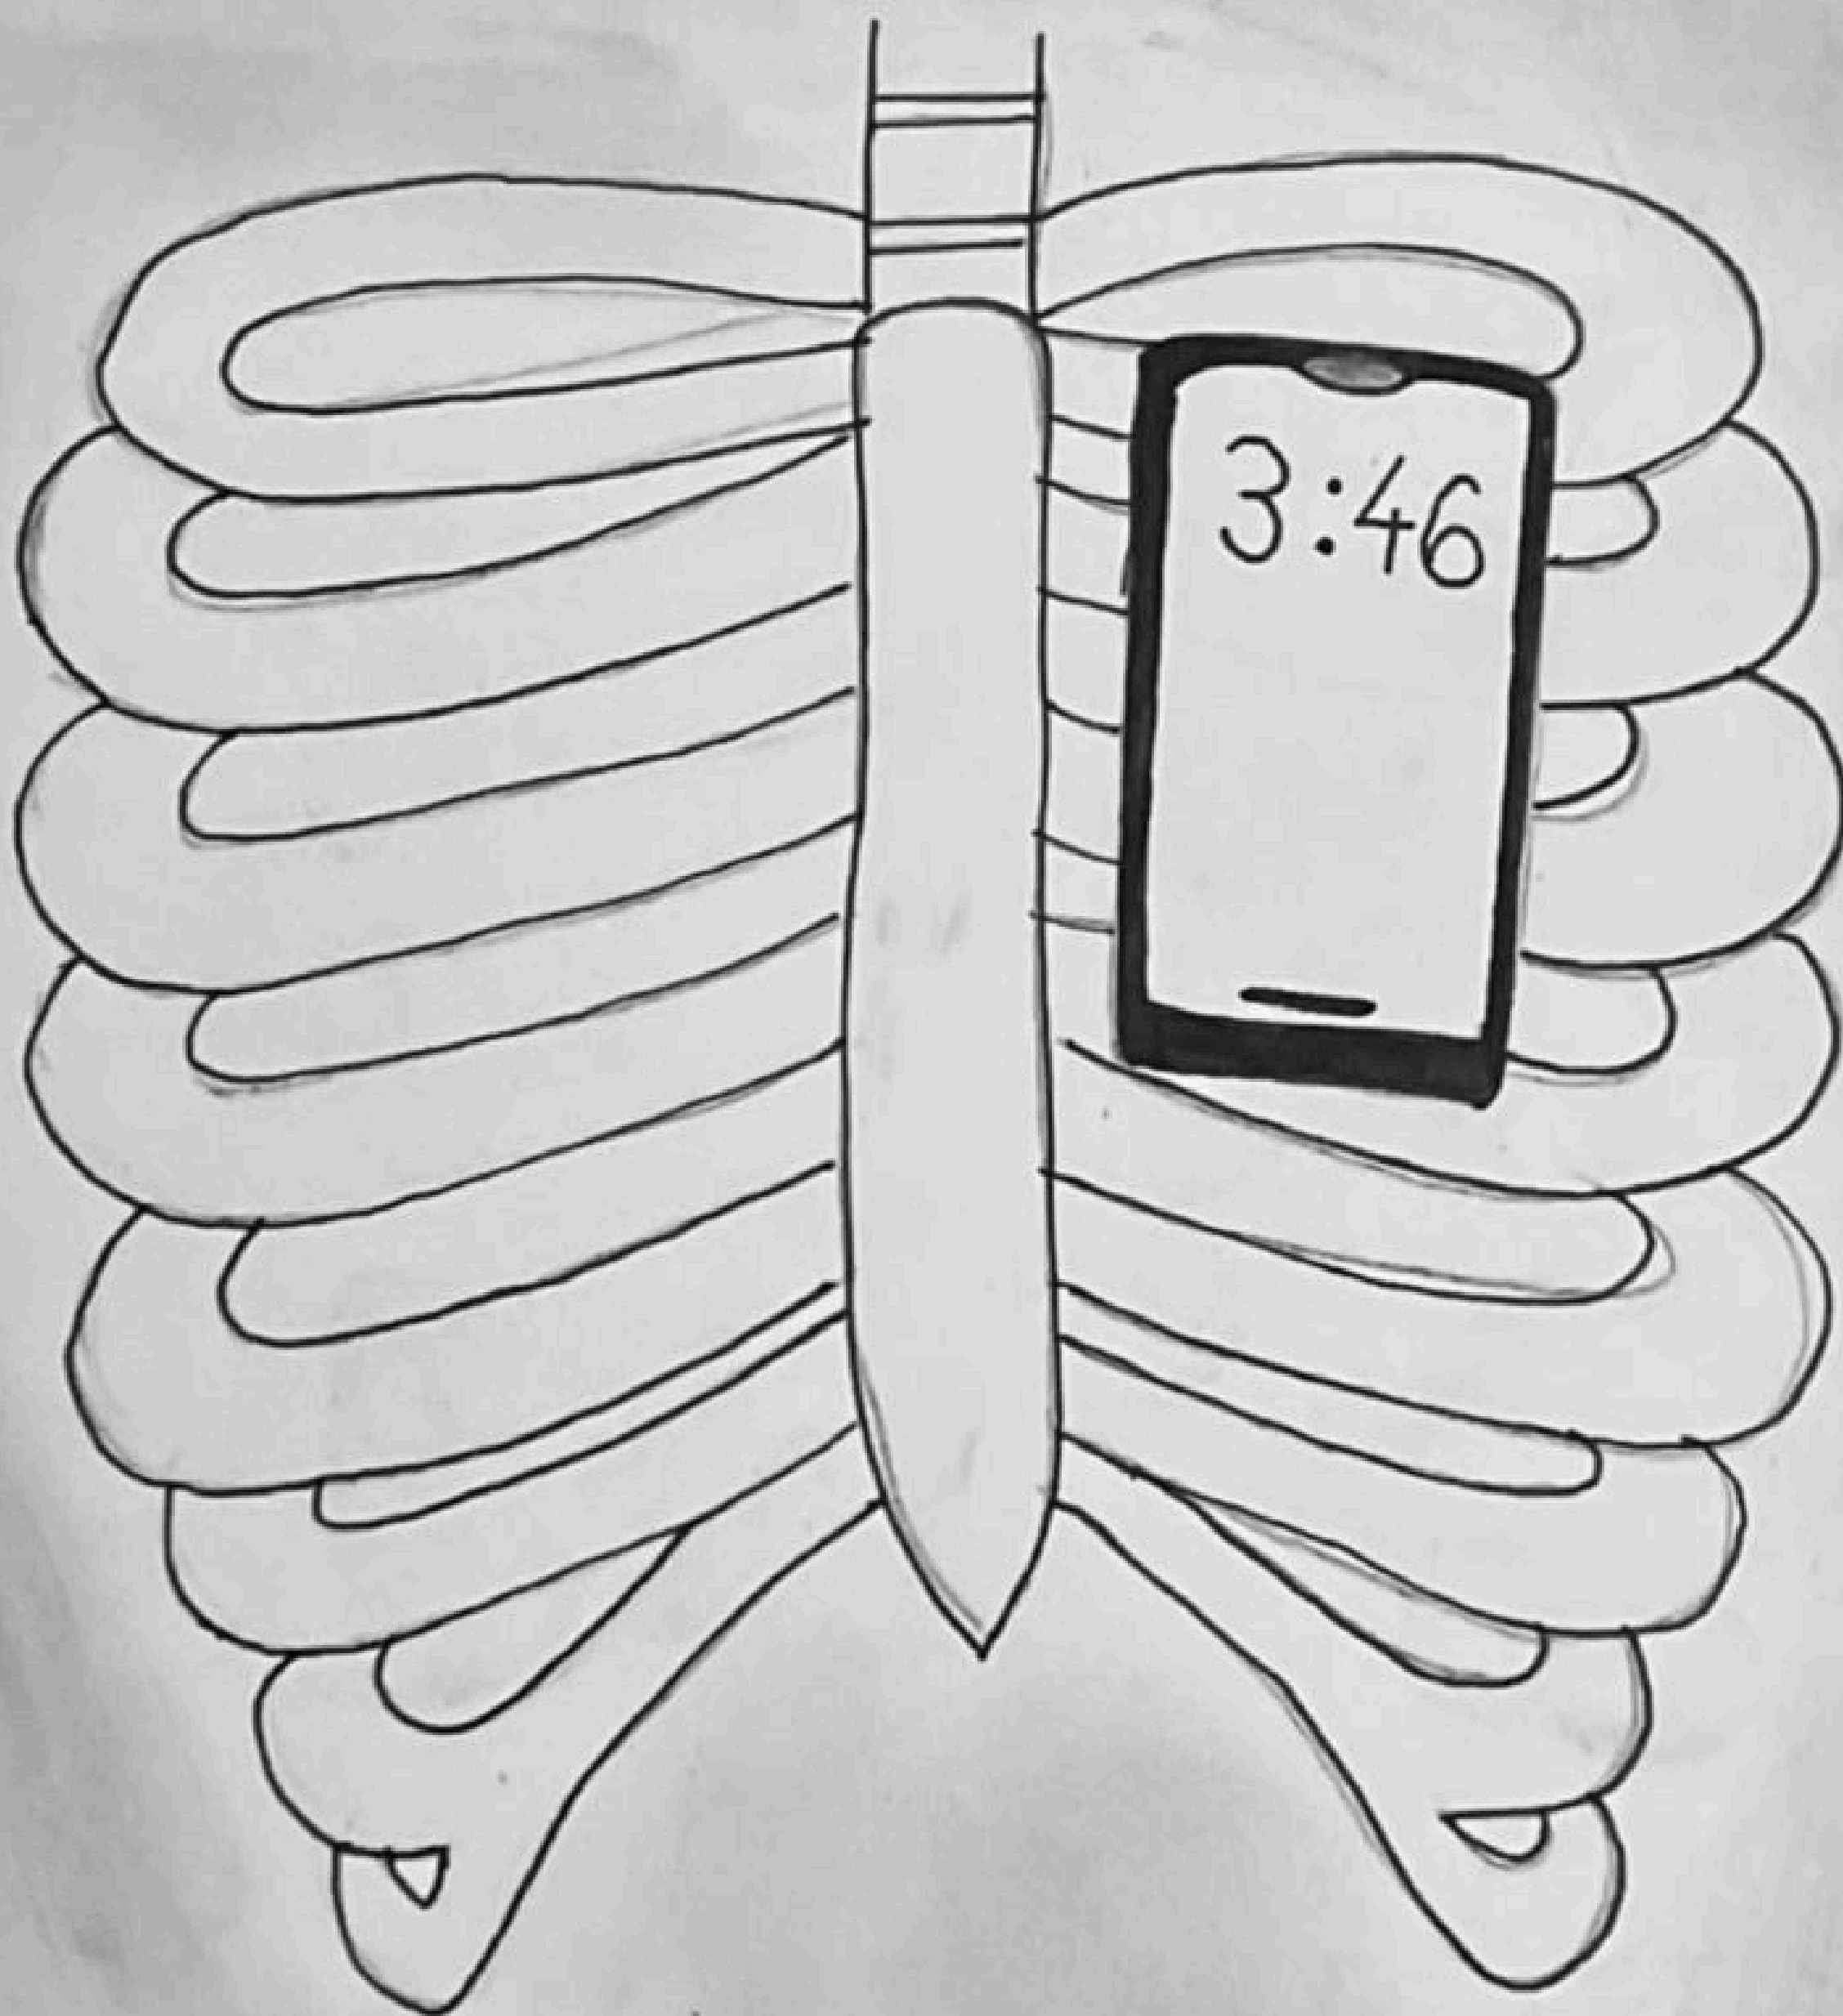

**Scroll today**

**die tomorrow**

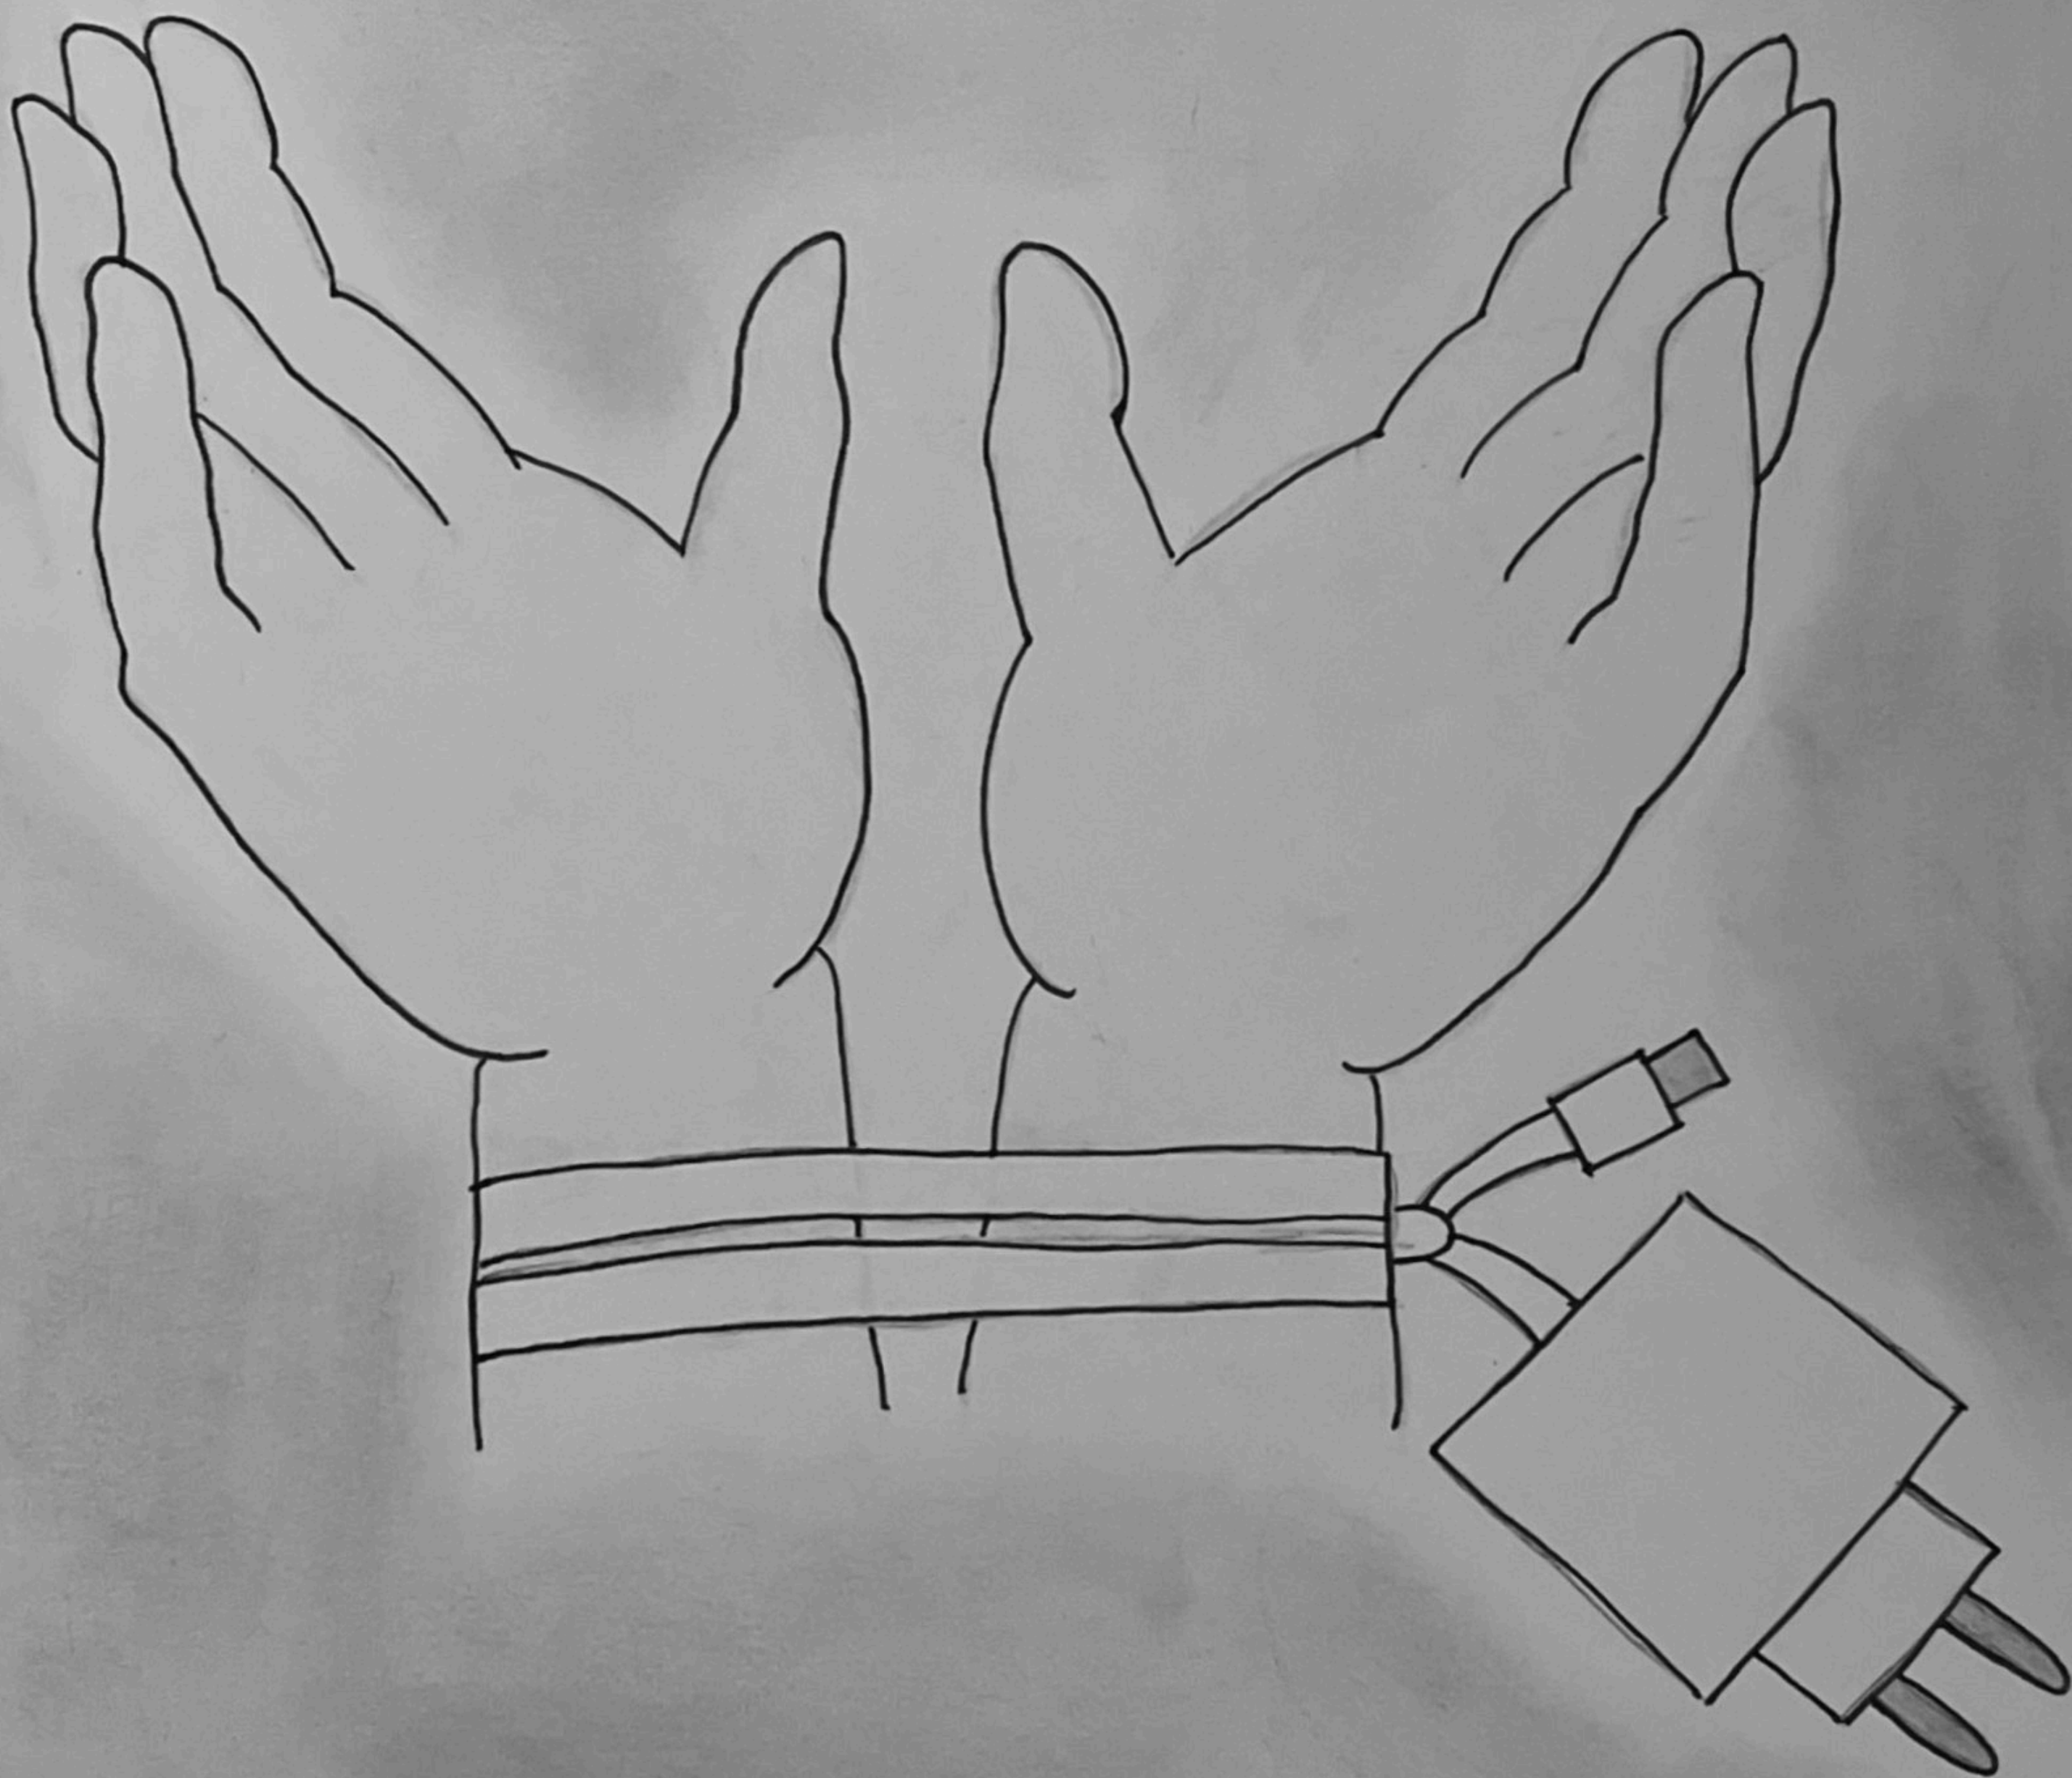

# Heart off

# phone on

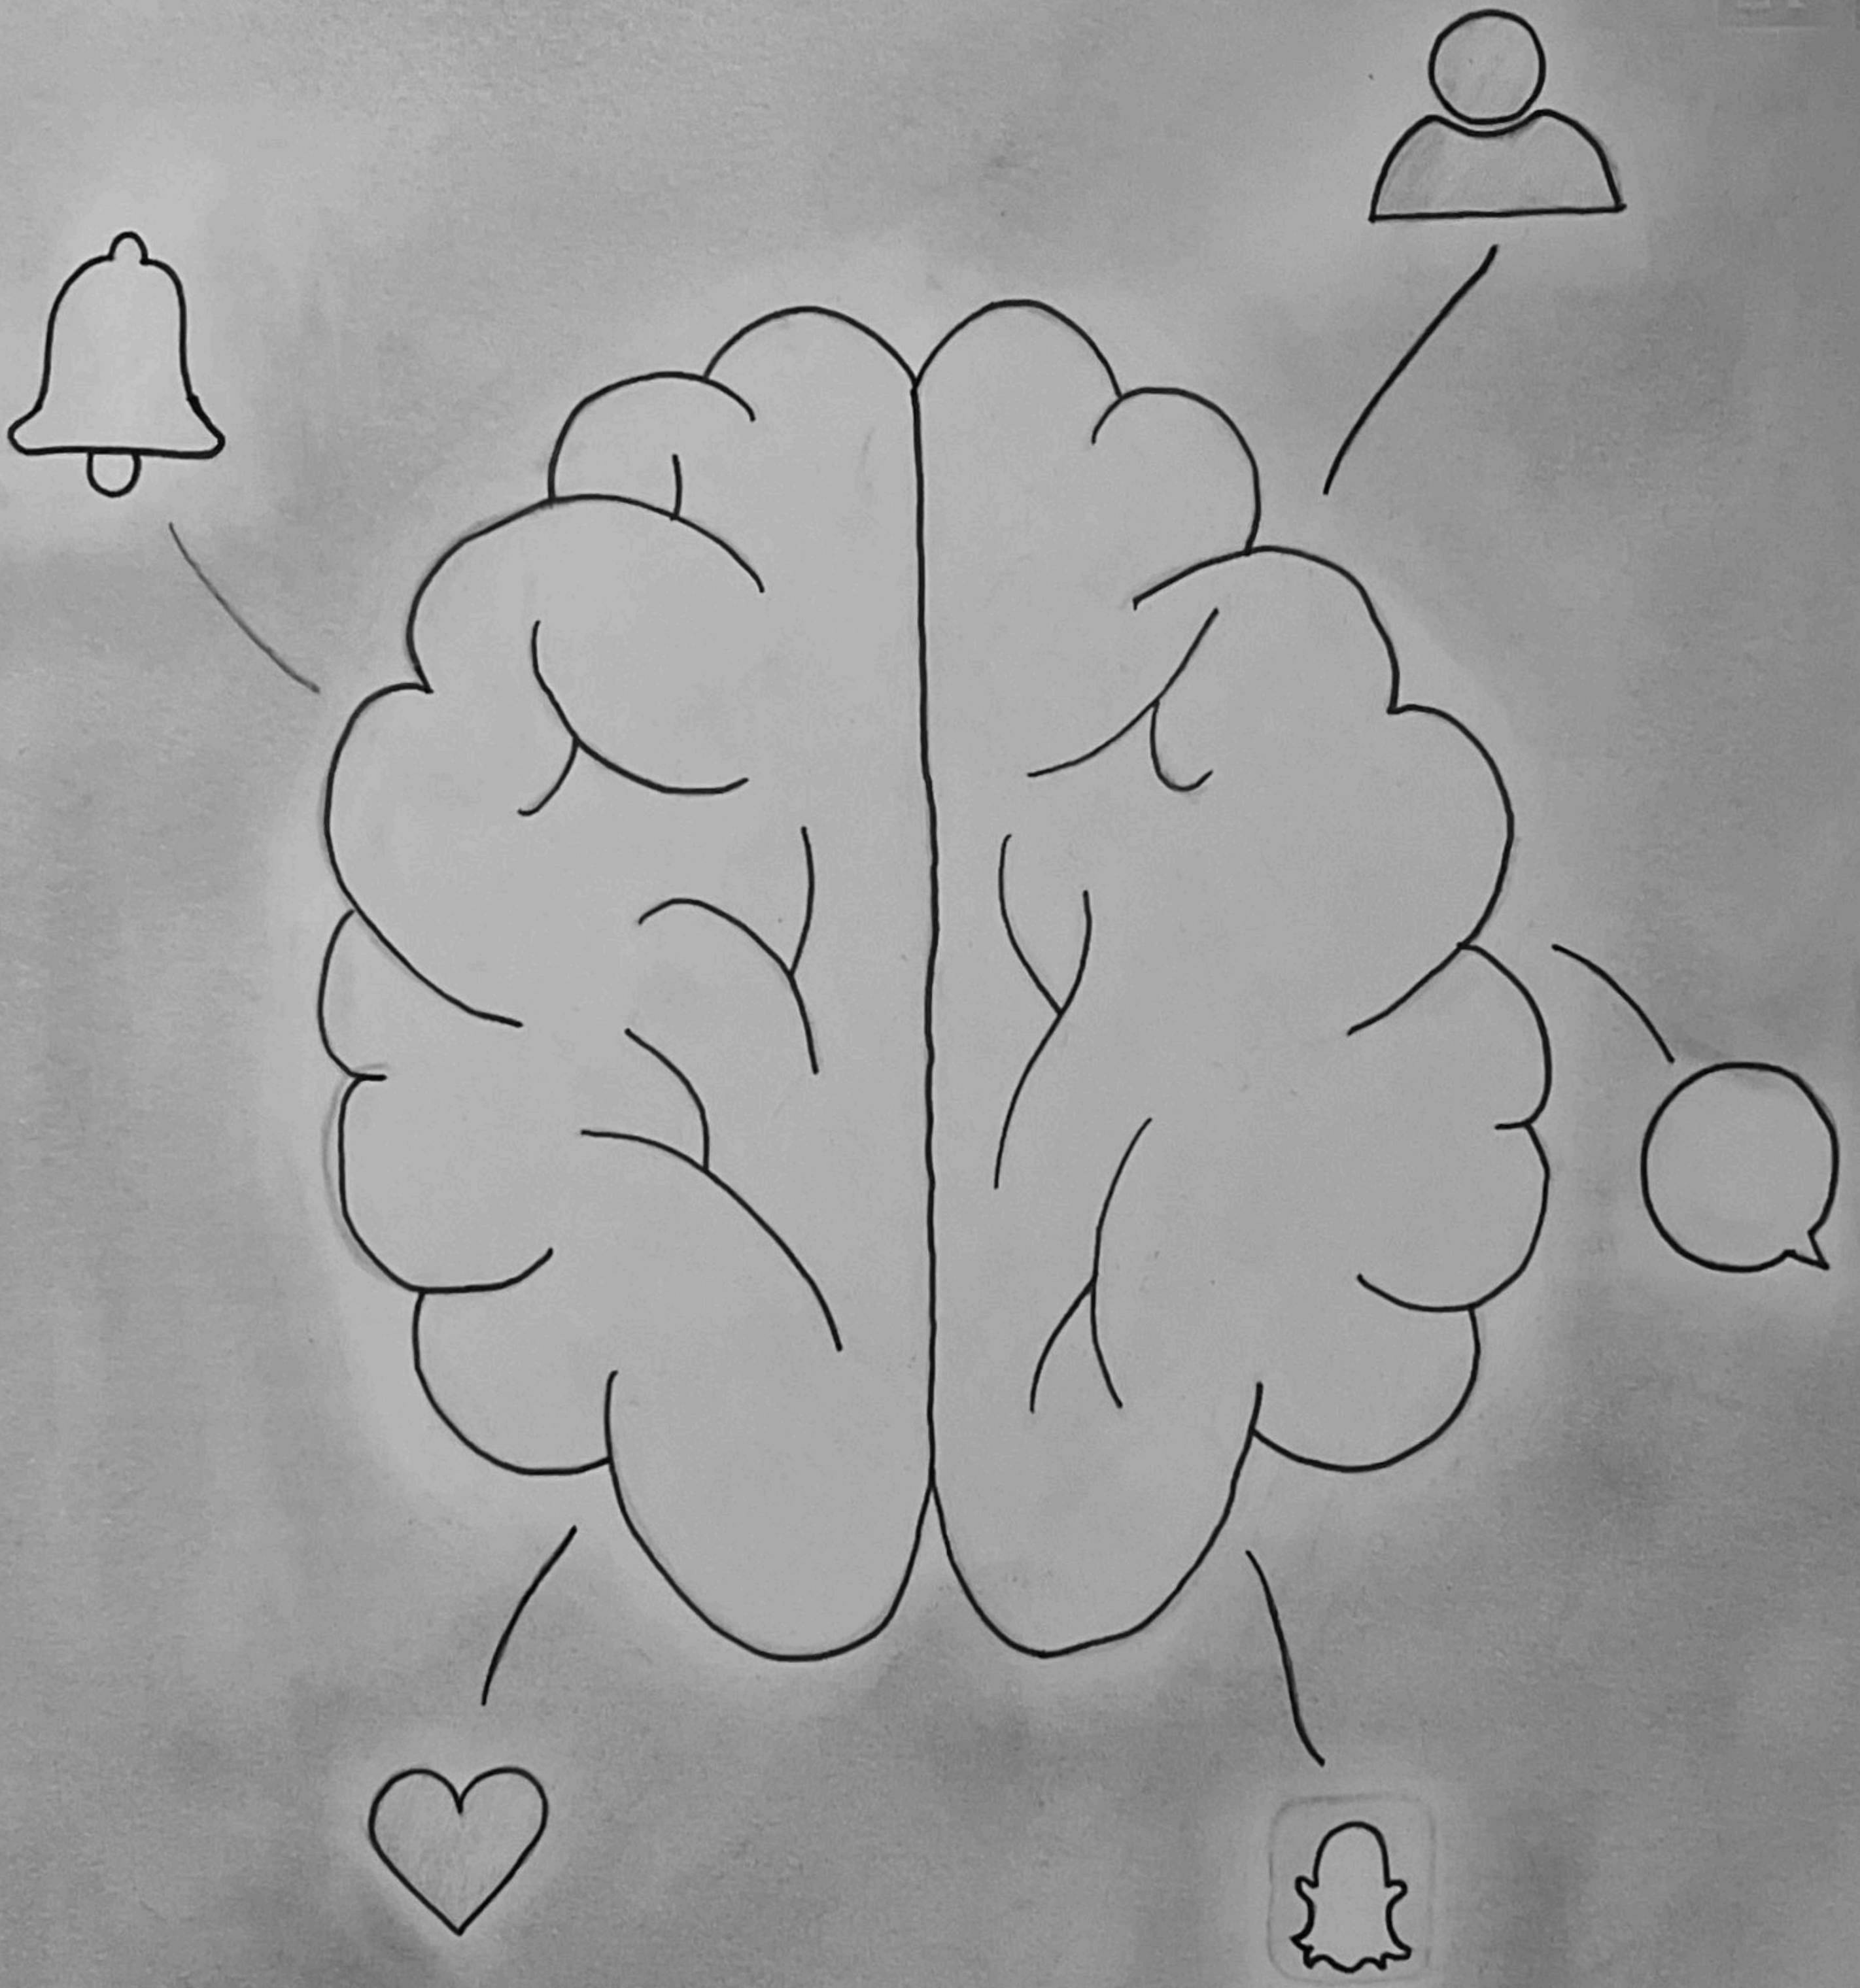

**Connected to the  
world**

**chained deep  
down inside**

# Socials online

# Mind offline

**50 - 300 milliseconds:**

**the time it takes you to  
connect with anyone**

**You need only a play  
to make music yours**

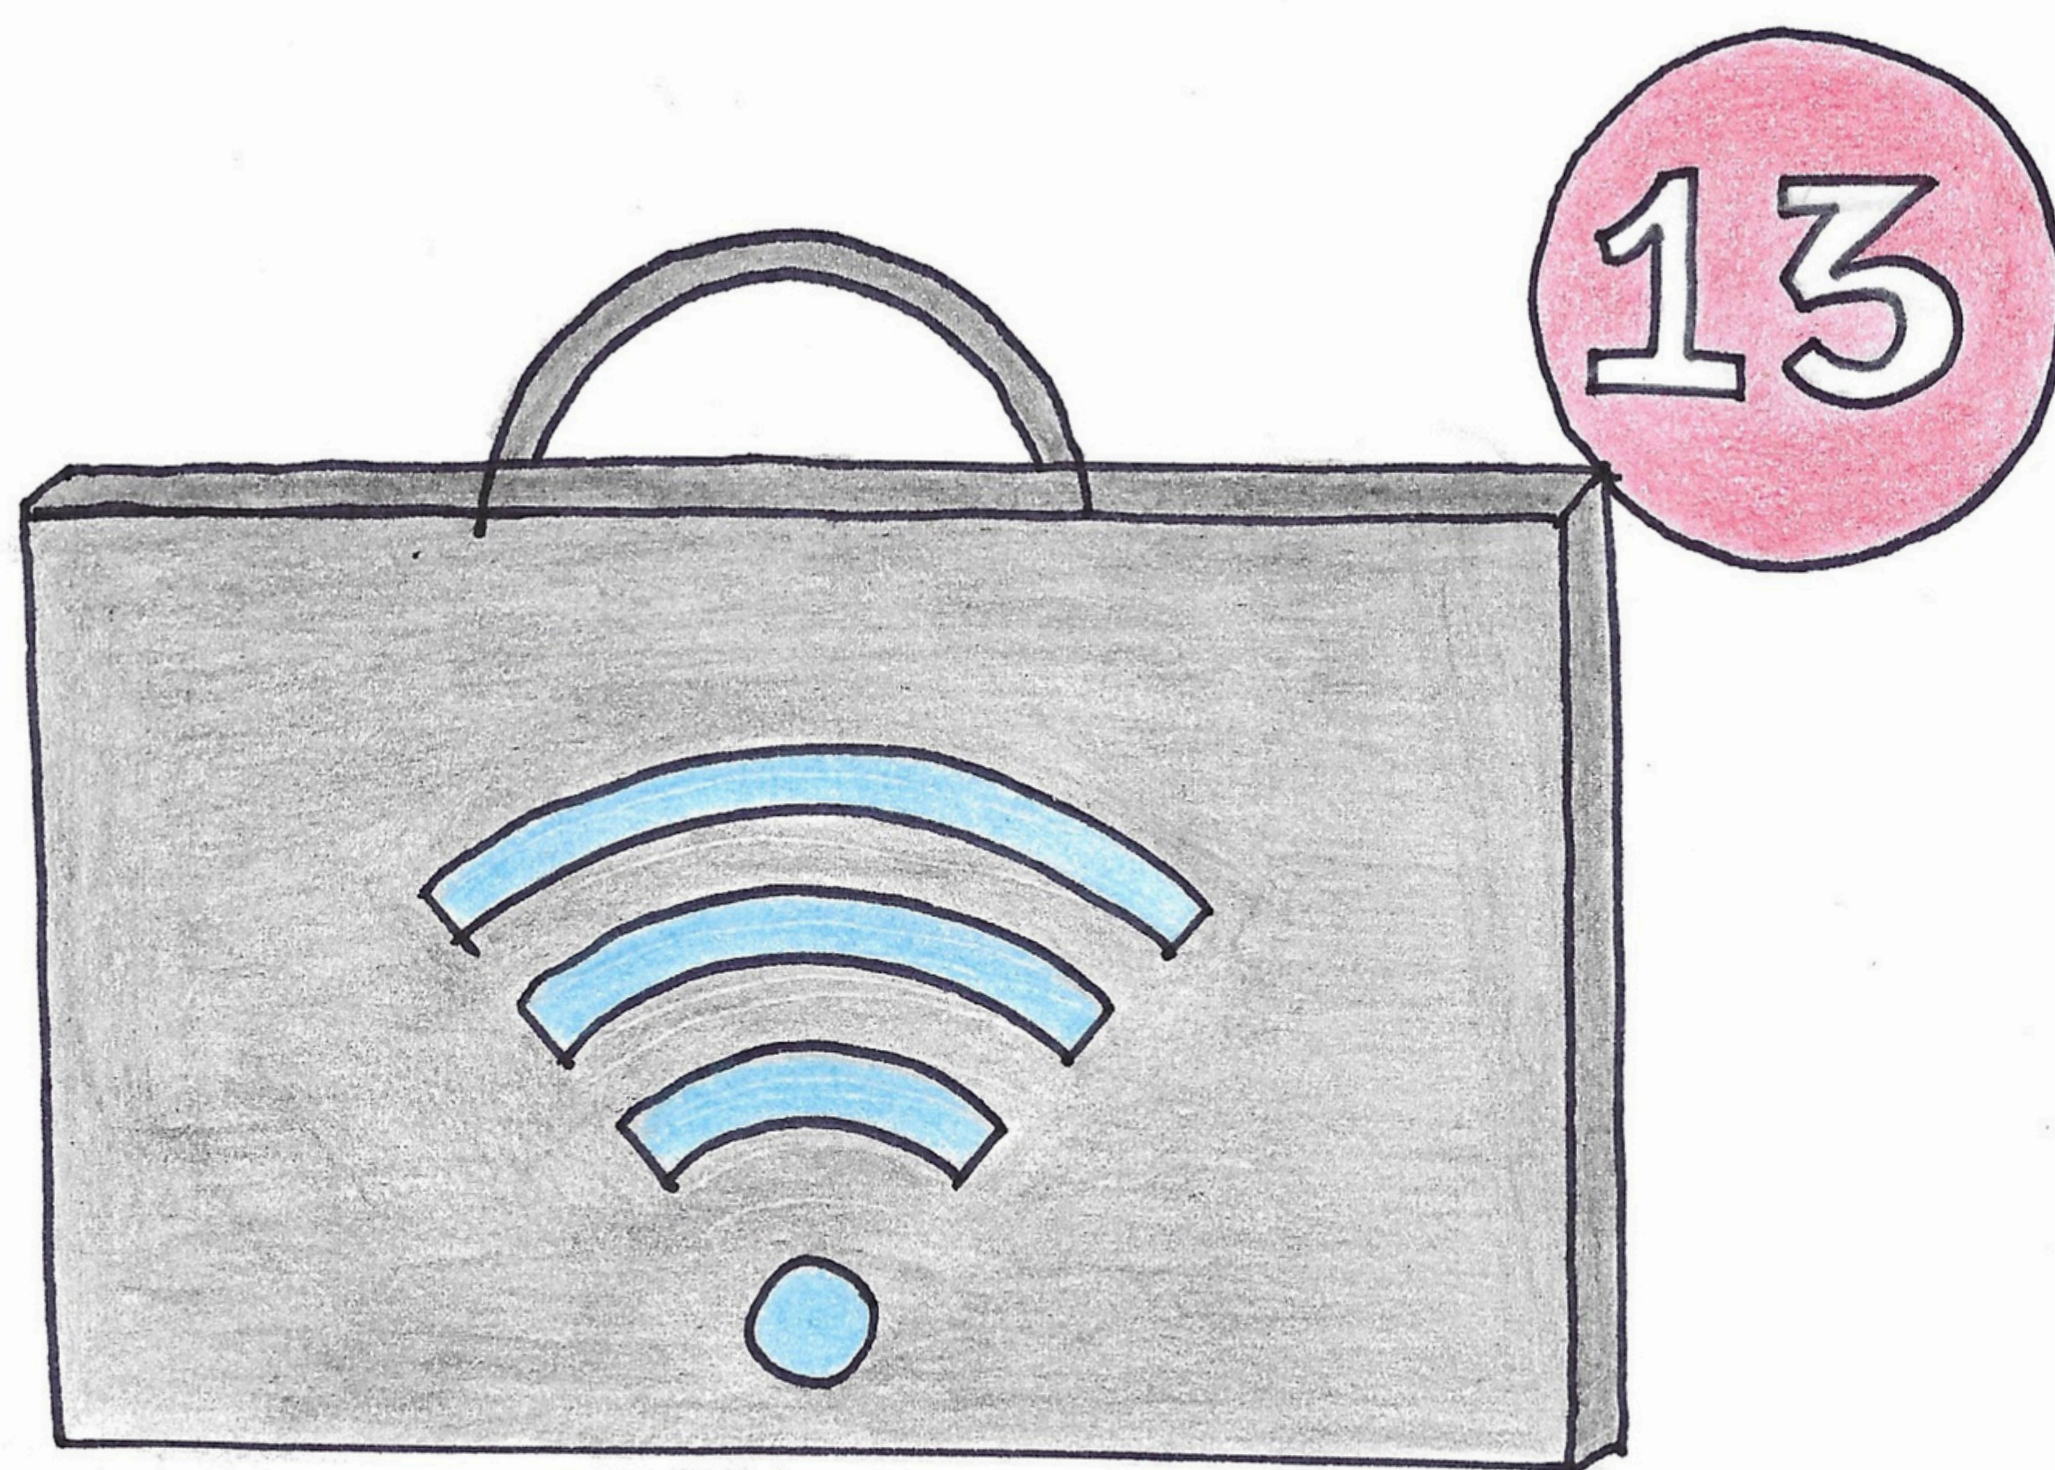

# Google

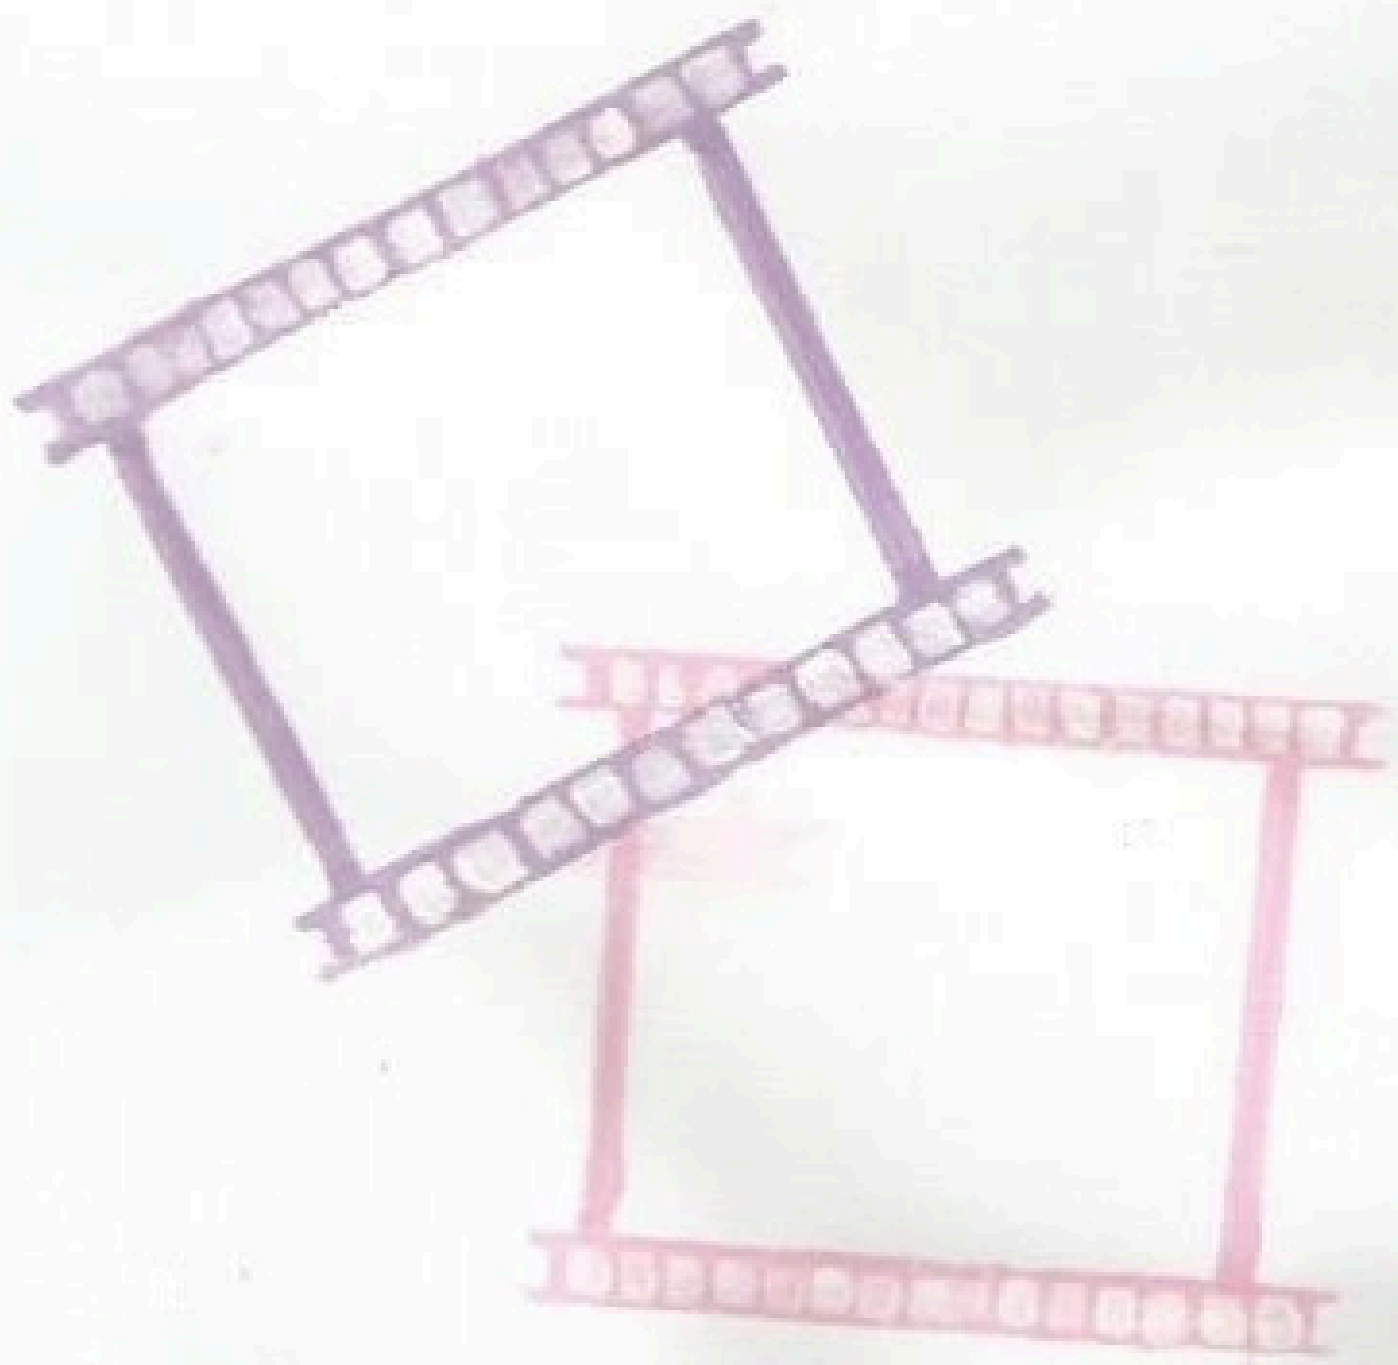

**All the knowledge**

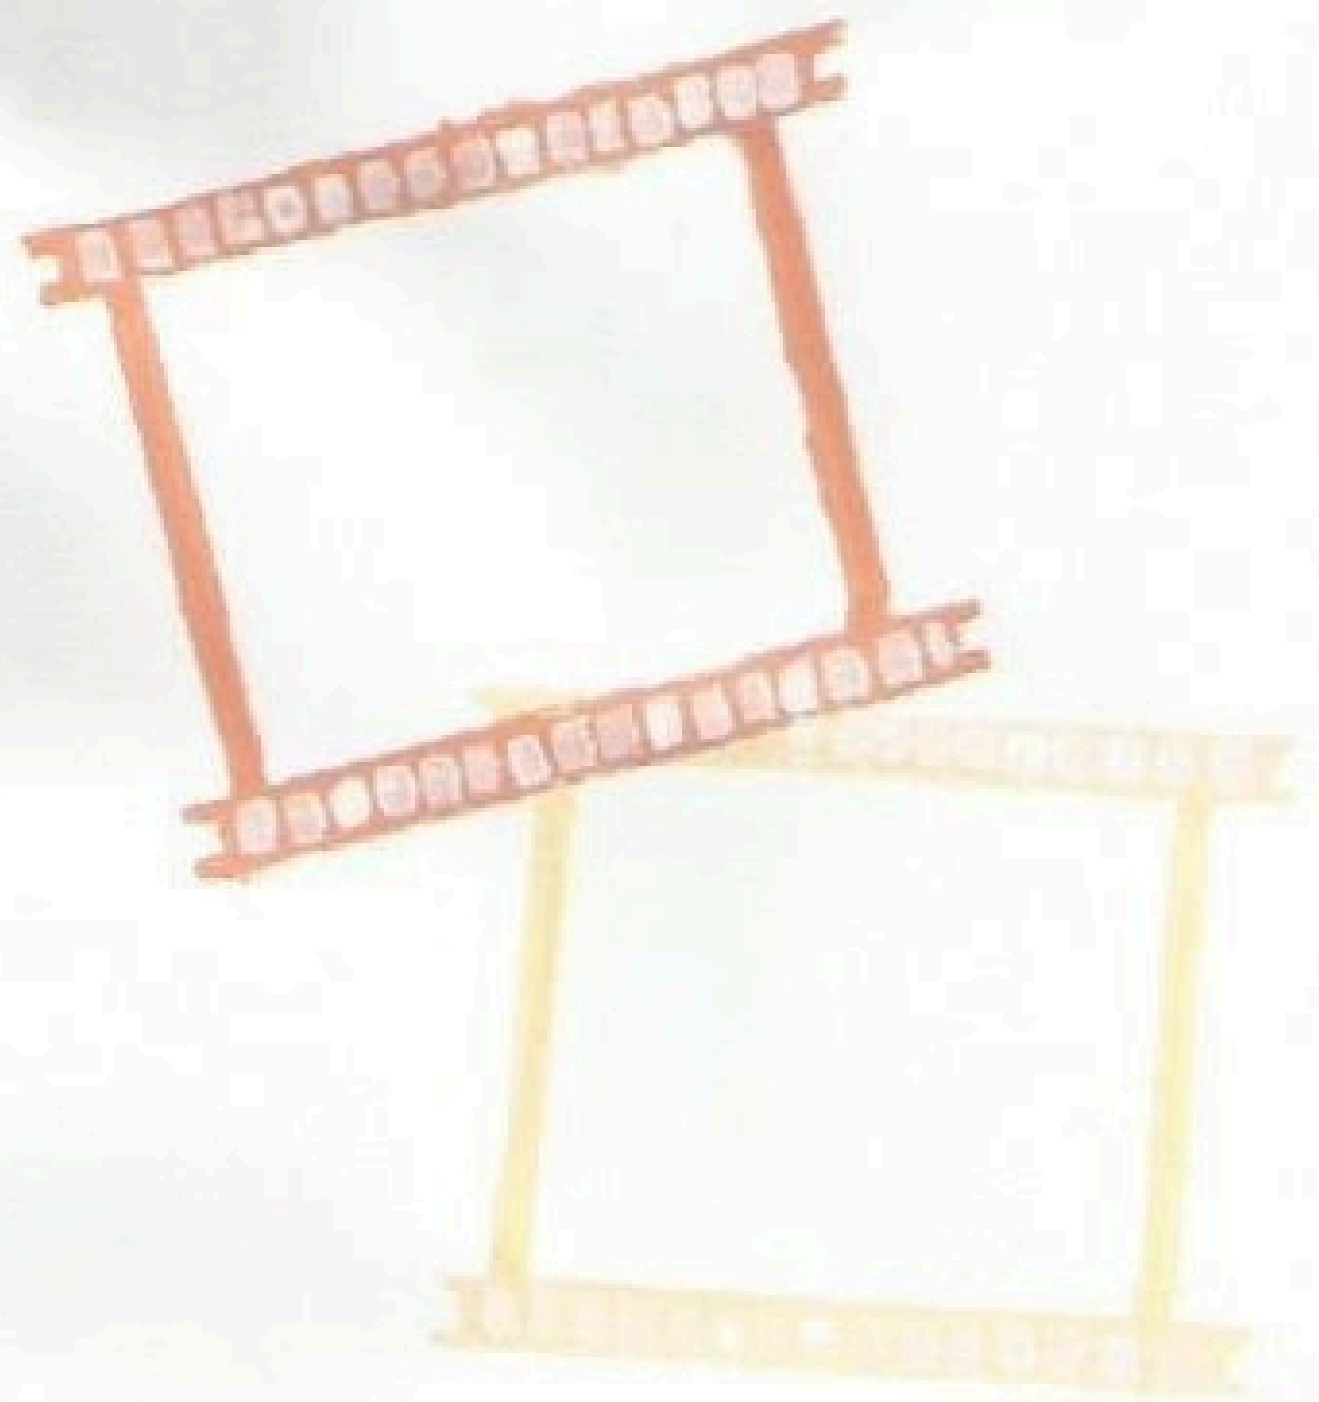

**Your career is just a  
click away**

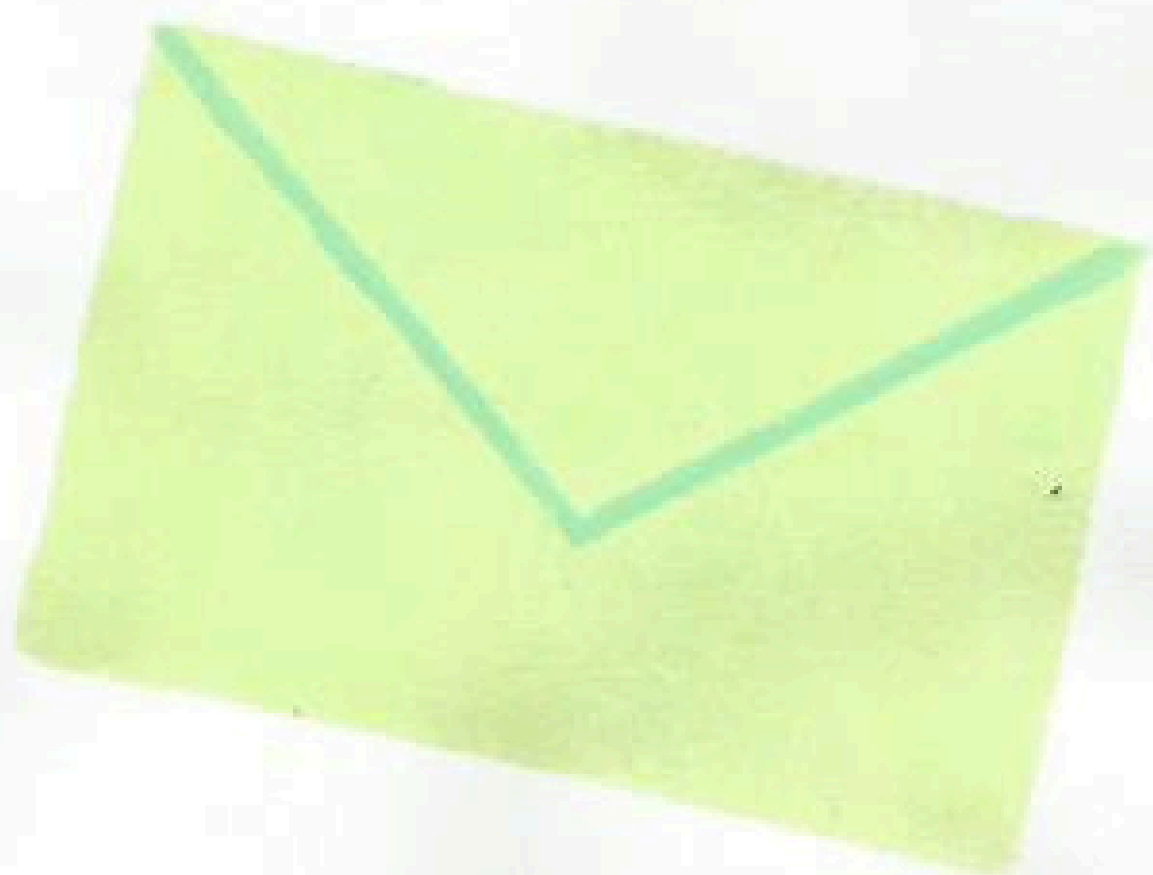

**From living in  
albums...**

**...to being fading  
inside the feed**

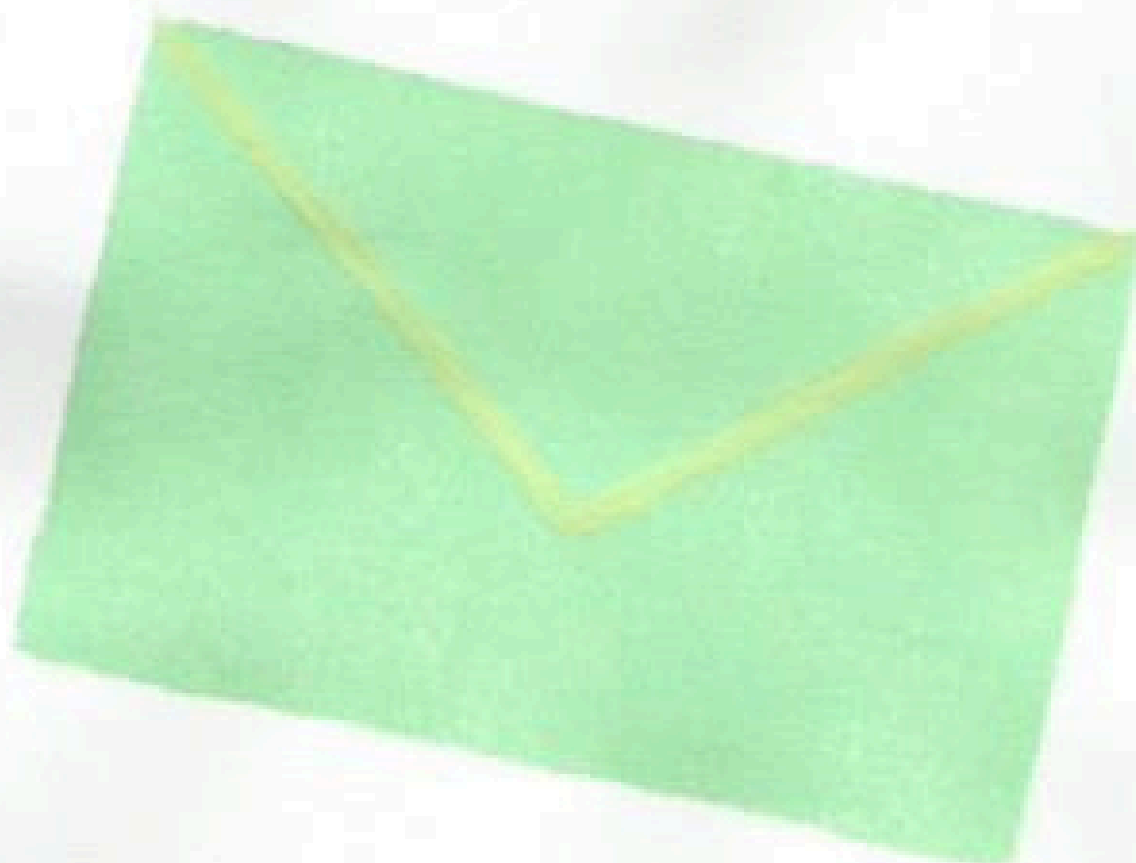

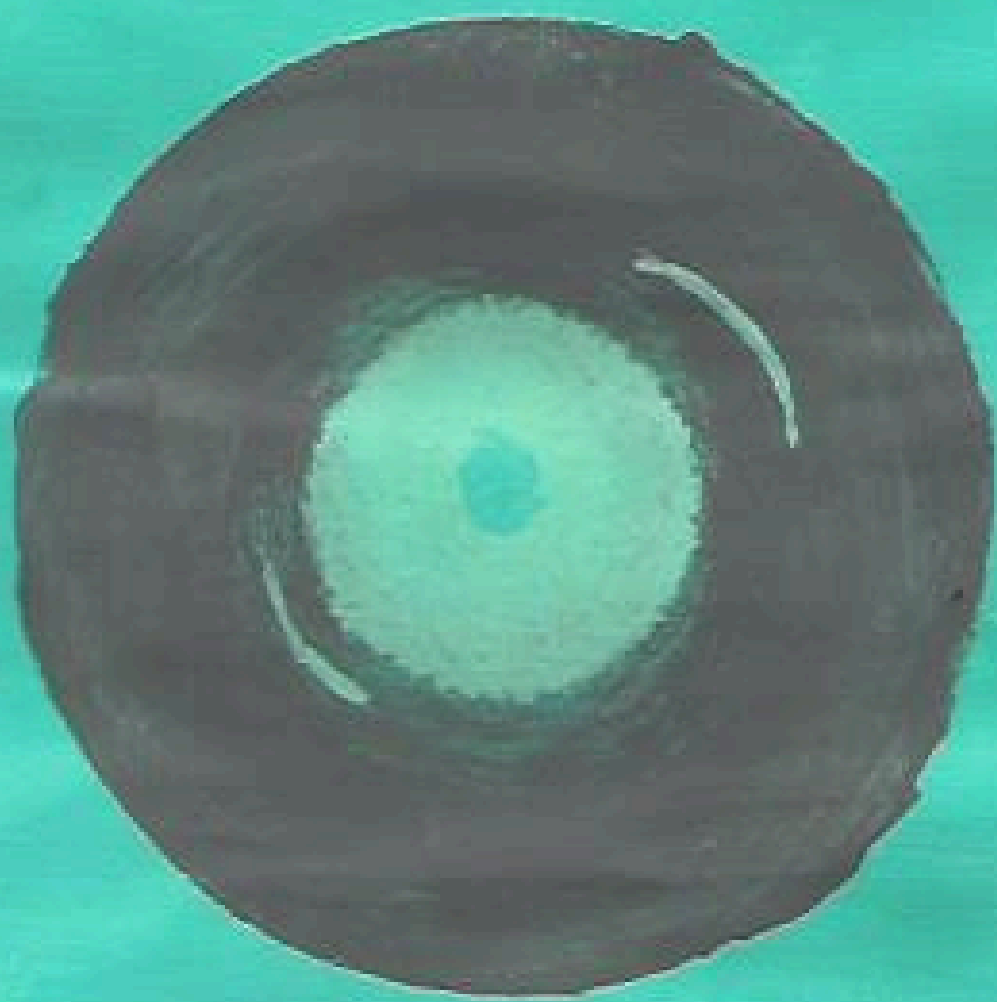

**From waiting for  
words...**

**...to anticipating  
blue ticks**

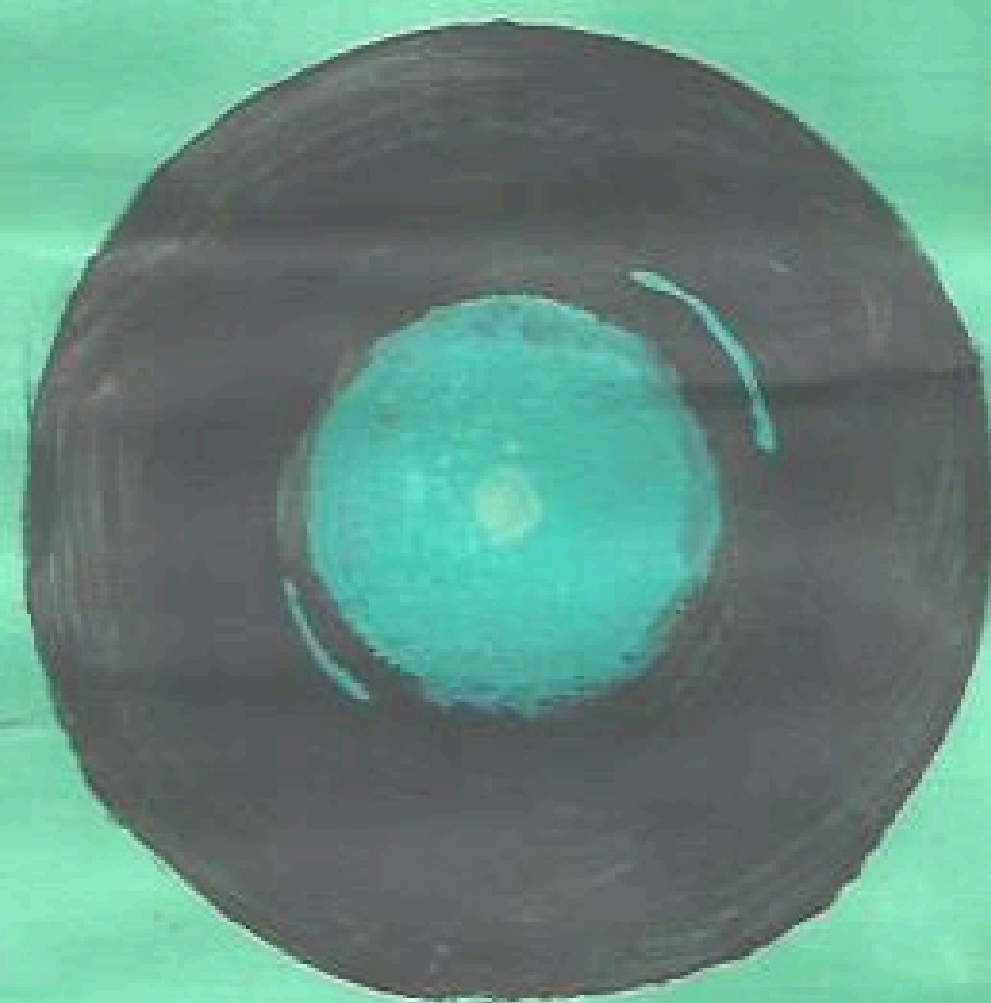

**Music was tactile...**

**...now it's digital**

**Cinema nights  
became...**

**...content creation**
