

# SURVEY RESULTS

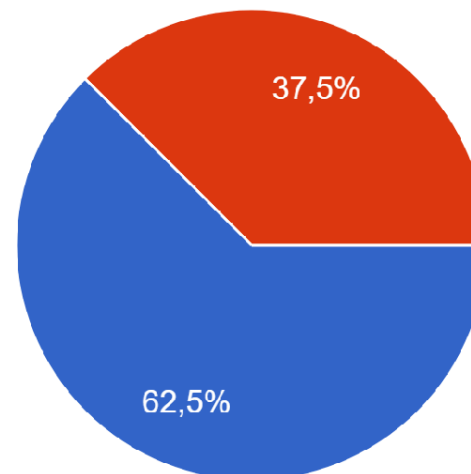

*Portuguese Colonial War, Historical Memory and Peace Education*

Schools Beyond Regions and Borders | Final Presentation for Trento

Do you believe that understanding this past contributes to greater awareness of peace and citizenship?

Do you believe that understanding this past contributes to greater awareness of peace and citizenship?

## Most Meaningful Open-Ended Responses:

“Remembering the Colonial War is essential so that the mistakes of the past are not repeated.”

“Hearing family testimonies made history feel real, personal, and impossible to ignore.”

“Historical memory should not remain in silence; it must be discussed across generations.”
